Survey on the Status of Participants in the Regional Specialized Visa System in 2024

Hello.

Thank you for your interest and participation in the regional specialized visa pilot project. The regional specialized visa project is a program that supports the settlement of foreign residents and their families in areas with declining population in order to respond to the population crisis and achieve balanced regional development. This survey will be used as basic data to identify the current status and demand of immigrants who have been issued regional-specialized visas and establish immigration policies in Gyeongsangbuk-do.

We promise that the information you provide will be kept confidential and will not be used for any purpose other than statistical purposes.

Even if you are busy, we would appreciate it if you could respond until the end.
